

Design the cover of our Spring Outreach Program Schedules!

Sacramento City College's **Davis & West Sacramento** Outreach Centers need your design and artistic skills. Using Photoshop, Illustrator and/or Modo, create a cover concept or illustration for **one of the locations** and submit it for consideration by **OCTOBER 30**. If your design is chosen, you may need to make final changes, and must submit final file by **Tuesday, Nov. 10**.

You will receive a design credit and mini-bio in the schedule and have a professional-level, published piece for your portfolio.

The Davis Theme: The Davis city logo is an old-fashioned bike, so the winning design should include some version of it.

The West Sacramento Theme: This Spring, the new West Sac Outreach Center building will open, so they want it (photo or illustration) on the cover. The address is 1115 W. Capitol Ave. You can download a rendering and some construction photos at this address: <http://scc.losrios.edu/~tech/gc/WestSac/>

Dimensions:

8.5" x 11" including a 1/8" bleed trim on all sides. (final printed cover size: 8.25" x 10.75")

To see some past samples, go to:
scc.losrios.edu/gc/outreach

To participate, provide a PDF of your design to your instructor by the **OCTOBER 30 deadline**.

Got questions? Ask Don Button at buttond@scc.losrios.edu or 558-2415.
