IN-TEXT CITATIONS

Be sure to document your research throughout your paper by citing the author and date of the works you used. For quotations, give page numbers as well. For websites, be sure to include as much title as possible, as well as the whole URL. Remember, all works cited in your paper must appear in the reference list.

EXAMPLES

Penzel (2000) discusses obsessive compulsive disorders.

Jogerst et al. (2003) evaluated the impact of...

The Schizophrenia Society of Canada protested the legalization of medical marijuana (Driver, 2004).
