## Paragraph Writing Checklist

### Composition Check
- 1. Does your paragraph have a topic sentence?
- 2. Is each sentence related to the topic sentence?
- 3. Does your paragraph end with a concluding sentence?

### Language Check
- 4. Does each sentence have a subject and a verb? (Look out for fragments!)
- 5. Did you include descriptive adjectives in your sentences?
- 6. Did you use different words instead of repeating the same word too often?

### Editing Check
- 7. Did you read your paragraph at least twice before submitting it?
- 8. Did you let another person read your paragraph?

## Essay Writing Checklist

### Composition Check
- 1. Does your essay have an introduction paragraph, body paragraphs, and a conclusion?
- 2. Does the introduction paragraph have a thesis statement?
- 3. Does each paragraph have a clear topic sentence?
- 4. Does each paragraph include only relevant sentences?
- 5. Did you open your essay with an interesting hook?

### Language Check
- 6. Does each sentence have a subject and a verb? (Look out for fragments!)
- 7. Did you include descriptive adjectives in your sentences?
- 8. Did you use different words instead of repeating the same word too often?

### Editing Check
