Did you borrow a Direct Loan at SCC, or any other college for the 2023-2024 academic year (Fall 2023 and/or Spring 2024)?

Yes* No

* If you have already borrowed for the 2023-2024 school year, by completing this form you are requesting a new loan which will be reported to the Department of Education, National Student Loan Data System (NSLDS) and credit reporting agencies as a new loan. This is not an increase to an already originated (certified) loan. You will only be able to request the difference between the annual loan limit amount and the amount you have already received this academic year. If you already received the yearly limit, you are not eligible for a Summer 2024 loan.

We strongly recommend that you borrow as little as possible at a two year institution and/or program. Save for later!

Please indicate the type of loan you are requesting: Subsidized Unsubsidized

By signing below, I understand that my loan request will not be processed until after my summer Pell has been awarded. I will receive a loan offer through my e-Services account. Once I have accepted the offer, my request will be certified. At this point, checklist items such as MPN and/or Entrance Counseling will be added to my "To Do List" to be completed (*A new MPN is required for summer loans even if I have already fulfilled these requirements during the 2023-24 Award Year at SCC*). After SCC electronically receives the required checklist items and as long as I have completed the required steps in a timely manner, my loan will be disbursed within 10 business days.

I understand that I may not be eligible to receive the loan I have requested, due to eligibility requirements (i.e. enrollment status, loan limit has been reached, grade level, dependency status, subsidized/unsubsidized eligibility, etc.) and approval/eligibility is determined by the SCC Financial Aid Office.
