## Academic Standards

**Student Learning Program** – website address update

### Service Learning Program

Participation in campus and community volunteer projects, as a part of regular course work, serves to make learning more direct and relevant, builds students' leadership and organizational skills, and promotes civic engagement and community building. SCC is incorporating service learning into more and more courses and is creating campus and community partnerships to enhance student learning. Service Learning projects have included Web and brochure design for community agencies, partnerships with social services, school-aged mentoring and transitional housing programs. For a current list of courses connected with the Service Learning Program, check the Schedule of Classes or visit the Service Learning website at <http://www.scc.losrios.edu/service-learning/> or call (916) 650-2918.

## Safety on Campus

### Smoking – Environmental Standards

Smoking is prohibited in all College/District facilities. Smoking is prohibited within 30 feet of any building entrance, exit, door, operable window and/or air intake duct (LRCCD regulation 1411.5.10). In addition to LRCCD regulation, and to promote a smoke-free, clean air environment, smoking at all Sacramento City College locations is permitted only in Designated Smoking Areas and parking lots. Designated Smoking Areas can be found at various locations throughout the campus. To ensure a clean environment, smoking waste (e.g. butts, filters, e-cigarettes) should be placed in appropriate waste receptacles. Smoking in non-designated smoking areas and inappropriate disposal of smoking waste may be subject to discipline. This new regulation includes electronic inhalant devices. (More on the regulation is available online: [www.scc.losrios.edu/healthservices/scc-smoking-regulations](http://www.scc.losrios.edu/healthservices/scc-smoking-regulations)). For individuals interested in quitting smoking or smokeless tobacco use, free cessation services are provided in Health Services (Rodda Hall North, RHN 125). Additionally, for help quitting, contact the California Smokers' Helpline at 1-800-NO-BUTTS or visit [www.californiasmokershelpline.org](http://www.californiasmokershelpline.org).

## Transportation and Student Parking

**Daily Parking Permits** – Fee increase to \$2, effective July 1, 2014

**Semester Parking Permits** – Fee increase to \$35 effective January 2015

All parking on campus requires a parking permit. Students may purchase a semester permit at the Business Office for \$35. This is the most cost-effective pass if you attend school two or more days per week. The semester permit may either be placed on the inside of the front windshield, passenger side, lower corner, or hung from the rear view mirror. These are the only acceptable options for the display of a semester pass. Daily permits may be purchased from any of the parking machines located throughout the student parking lots and should be placed visibly on the dash. All permits must be visible in order to be valid. Daily permits that are numerically stamped from other Los Rios Community College District campuses (ARC, CRC, or FLC) are not accepted at SCC. Semester permits from those campuses are accepted. Either a semester permit or an SCC daily permit obtained from a surface lot is required in the parking garage. Daily permits are not available inside the garage. Permit Parking is enforced Monday through Thursday from 7:00 a.m. to 10:00 p.m. and Friday from 7:00 a.m. to 5:00 p.m. All red zones (no parking), green zones (limited time parking), and blue zones (handicapped) are enforced 24 hours a day, 365 days of the year.

### Associate in Arts for Transfer

#### Program Information

The Associate in Arts in Journalism for Transfer (AA-T) can provide students with the foundational knowledge necessary for transfer to a California State University (CSU). The Associate in Arts in Journalism for Transfer (AA-T) offers students the opportunity to take courses in media theories, news writing and reporting, AP style, and writing for publication. It is designed to provide a seamless transfer pathway for students interested in pursuing a Spanish degree in the California State University (CSU) system.

Upon successful completion of the degree requirements, students will be guaranteed admission to the CSU system with junior status and will not have to repeat lower division coursework. Students are encouraged to meet with a counselor to develop their educational plans as degree options and general education requirements vary for each university.

The Associate Degree for Transfer student completion requirements (as stated in SB1440 law):

(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:

(A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education - Breadth Requirements.

(B) A minimum of 18 semester units or 27 quarter units in a major of area of emphasis, as determined by the community college district.

(2) Obtainment of a minimum grade point average of 2.0.

ADTs also require that students must earn a C or better in all courses required for the major or area of emphasis.

#### Career Opportunities

Career opportunities for students who have earned Bachelors' degrees in Journalism include but are not limited to: news reporter, news editor, broadcast news writer, broadcast news producer, on-line news editor, on-line news producer, advertising copy writer, and public relations representative. Some careers may require additional training.

It is strongly suggested that students meet with a counselor to determine the most appropriate course choices.

#### Upon completion of this program, the student will be able to:

- write clear and concise stories that adhere to journalistic conventions.
- conduct research and evaluate information using appropriate methods.
- demonstrate an understanding of basic news and feature writing in print, broadcast, and on-line media.
- evaluate his or her own work and that of others for accuracy, fairness, appropriate style, and grammatical correctness.
- produce news and feature articles, photographs, and/or multimedia packages for publication in a newspaper or on-line publication.
- understand and apply the principles of the First Amendment and other laws appropriate to professional practice.
- apply ethical principles in pursuit of truth, accuracy, fairness, and diversity.
- identify and explain the processes, elements, history, theory, and effect of modern mass media in society.
