2. ENGWR 300 (ESL) may be taken with instructor permission after completing ESL 325 + ESLG 320.
3. ESL 37, 47, 55, 315, & 325 are combined reading-writing courses. There are no longer separate R or W courses in Los Rios except at the Advanced level. Contact the ESL Dept. Chair for course numbers and unit values prior to Fall 2020.
4. Skills Labs (30-40-50-60-70-80) are strongly advised for the level, and to support students in the combined courses. Support Labs (31-41-51-61-71) offer support in all other skill areas with personalized study plans. Labs are advisories, but are highly recommended.
